IT'S A QUESTION

with the trade when everyone is advertising sales where they are to get the most for their money. Let us suggest that there is more than price. If goods were not best quality before the sale, remember that a sale does not improve that quality. Prices may be right, but do you want that kind? A little shopping around is often a good thing to do.

DRESS GOODS

For one week we will give you a sale on all kinds of Wool Dress Goods. Every piece of Dress Goods in our stock marked down, and the following are specials:—

Double-fold All-wool Panama, the very best 50c cloth, in nearly all colors, just for one week at 39c per yard.

Fifty-inch all-wool 85c Panama in Copenhagen, navy, slate and garnet, for one week at only 50c per yard. Extra wide and a bargain.

Forty-two-inch Wool Taffeta in slate, pearl grey, tan and navy. This is a \$1.00 cloth, for this sale at 50c. This is a bargain—very nearly half price.

Forty-two-inch All-wool 85c Serge in garnet, navy and black, very best colors and beautiful cloth, nothing better at the first price; now, this sale, at 65c per yard.

Fifty-one-inch \$1.00 Navy Mohair, this one piece in sale at 60c per yard.

DRESS GOODS

One piece of Navy Mohair, double-fold, a 50c cloth, this sale 29c per yard.

One piece double-fold Black Chiffon Panama, a 75c value, for this week's sale at 50c per yard.

Forty-four-inch Wool Shepherd Plaid. This is a cloth that we have sold seven pieces of this past season. This speaks for its popularity. It's a good 75c check and the sale price for one week will be 50c per yard.

Here is a great trade—a yard-wide \$1.25 Black Taffeta Silk at only 95c per yard.

We have about 100 yards of 50c Shantung Silk in shades of navy and green. This small lot to close at 19c per yard. They are very cheap, if in colors that you can use.

When every piece of Dress Goods in our stock is marked down, it's a good chance to buy for fall dressmaking.

BELOW COST

The following are below cost and at the same time are goods that are not out of date; on the contrary, all were new this season.

All of our 12½, 15c and 18c Colored Muslins and Dimities in one lot, marked 7 1-2c.

All of our Imported Scotch Gingham the 25c and 35c kinds, now 19c per yard.

All of our Ladies' White Muslin Waists marked down, it's a good going to close them now.
